

March 20, 2020

To our USA Hockey Multi-District Performance Girls Camp Attendees;

At this time, USA Hockey's Pacific and Rocky Mountain Districts is cancelling the 2020 Girls Multi-District Player Development Camp scheduled for June 6-10, 2020 in Colorado Springs, Colorado, given the strong recommendation by USA Hockey Leadership.

Our Board of Directors understands the importance of these camps to our young players and appreciate your hard work and commitment this season. This is not our desired result, but player safety, and the uncertainty of this pandemic led to this decision. Further, this decision comes after hours of discussions with administrators around the United States, inclusive of USA Hockey Youth Council, USA Hockey Girls/Women's Section and USA Hockey's Player Development Committee.

Again, our Board of Directors apologize for these unforeseen circumstances and look forward to continuing our program in 2021. If you have any further questions or feedback, don't hesitate to reach out to one of us.

Respectfully,

Geoff Pashkowski
Co-Director, Multi-District High Performance Girls Camp
Director, Rocky Mountain District
