

2018 Girls Multi-District Player Development Camp

Colorado College June 9 - 13, 2018

Pre-Camp Information

Welcome, please read the following very carefully:

General Arrival/Departure Information

Please make sure your transportation information is correct in the registration platform. Login and confirm or update. If you need transportation from/to Denver International Airport please note that with your travel information. If things change (such as you now have a ride to the camp) please let us know immediately. In the past some have left the airport without notifying us and this has caused great pain and difficulty. You can log back in at <https://www.rockymountainregister.com/enroll/usah/login.asp?Programid=140>

Flight Arrival/Departure Information (Transportation to/from Denver Airport):

Camp staff will meet all players flying into the Denver International Airport that have requested transportation to the Camp ahead of time if the players arrive in Denver by **12:30pm** on Saturday, June 9, as noted in the Player's Packet sent earlier. Anyone arriving after 12:30pm will need to make their own arrangements to the Camp.

Upon arrival at Denver's airport, players should proceed directly to the baggage claim area. At the top of the escalator leading to baggage claim there will be a staff person there to direct you to the camp meeting area. Players arriving earlier than 9:30am will need to wait until staff arrives, around 9:30am.

IMPORTANT: Your daughter will need to be able to get to the baggage claim area without someone from the camp meeting her at the arrival gate (inside the security area). Note: In previous camps we've had problems with a few airlines insisting our staff meet players in areas other than at baggage claim upon arrival, and/or escorting players to the gate. Unfortunately, we do not have the staff to do this and most airlines are comfortable with the arrangement we have. Frontier Airlines is one airline we've had some problems with in the past, so you may want to contact them in advance.

Note: Please remember, the Camp does not provide transportation from/to the Colorado Springs airport. If you booked your player to arrive and/or depart from the Colorado Springs airport, you must make your own travel arrangements to get your player to/from the Camp.

Delays or problems:

If your flights are delayed or you are having any other travel related problems, please call one of the camp directors:

Greg Johnson - (907) 388-3252 (mobile) **Geoff Pashkowski** – (602) 376-6722 (mobile)

Arriving by car:

If you are arriving to the Camp by car please go directly to Colorado College for check-in. Check-in will be from 1:00pm – 3:30pm on Saturday, June 9 at the Loomis Hall dorm.

Loomis Hall (Number 44 on the Campus map)
1104 North Cascade Ave
Colorado Springs, CO 80903

Camp Check-in:

- 1 - When you get to the Camp, please leave your luggage and gear outside. There is not enough room for players and gear in the lobby.
- 2 – We will be checking in only players. Parents, we ask that you please remain outside of the check-in line and outside of the lobby.
- 3 – First stop needs to be the Sign-In Table where you will get your Team assignment.
- 4 – Second stop is the Registration Desk, inside the Loomis lobby, where you will pick up your Colorado College ID Pouch, Room Key and Meal Card. Players will be responsible for all of these items during their stay. There are financial penalties, imposed by the College, for the loss of Meal Cards and/or Room Keys, so please be careful.
- 5 – After you have your room assignment and room key you will be able to take your personal belongings to your room. If you need assistance in getting your gear/bag(s) to your room, there should be plenty of players around to help. Just ask.

Room Keys:

Please note: The number on your room key is **NOT** your room number. It is the Colorado College key control number. Your room number will be on your Colorado College ID Pouch.

Misc:

Please do not ask if you can change teams or dorm rooms as we do not take requests for either. Part of the Camp experience is for players to get to know players from all the various states represented at the Camp. Teams are made up of players from across the Northern Plains, Rocky Mountain and Pacific Districts. Most players will have a roommate. However, some players will have a single room due to the dorms and room availability. Also, please do not ask to change numbers as coaches and evaluators already have a listing.

Once players are checked in to the Camp they are under the control of Camp staff until the Camp has concluded.

General Schedule:

The Camp will begin with a staff and player meeting/orientation which will begin at 4:45pm on Saturday, June 9. Parents are welcome to attend this event. Each day will consist of an ice session in the AM and PM along with scheduled seminars and off-ice training. All ice sessions and seminars are open to parents. The final schedule will be posted online at: www.wrhpcamp-g.com .

Dorm Living:

The dorms will provide linens, towels and soap. Please be aware that there is no air conditioning in the dorm rooms, however, each room has at least one fan. The Camp does not provide toiletries so please bring your own shampoo and other bathroom necessities. You may want to bring an extra towel for the rink. Also, please be aware that your dorm room door locks when you leave, so please carry your key with you at ALL times to avoid locking yourself out.

Clothing:

Please bring off-ice workout clothes that include tee shirts, shorts and athletic shoes (flip-flops and sandals are not to be worn to off-ice activities). You will need casual clothing while not training. There is NO need for any formal clothing at the camp.

Hockey equipment:

Full gear is required to participate in the camp, which includes **mouth guards**. Please bring your gear, including sticks and **hockey socks**. Jerseys will be provided by the camp, socks are not provided. There will be skate sharpening available for a fee at Sertich Ice Rink. There is no pro shop available at either rink, so please bring your own tape.

Money:

Your room and board is provided by the camp. A small amount of money for snacks and such is a good idea. We will have a limited amount of Camp Hoodies available for sale. They will be \$30/each (cash only) and will be available after check-in. Please use your best judgement.

Eating:

Each team will eat together primarily in the Colorado College dining hall located within the Worner Campus Center (#5 on the Campus map). Each dorm room has a microwave and refrigerator and, if you desire, you may stock it.

Cell phones:

Cell phones are allowed at the camp, however, no cell phones will be allowed in the locker rooms. Violation of this will result in confiscation of your phone until the end of the camp – **no exceptions**.

Trainers:

There will be trainers at the rink and a Camp medical doctor available to consult. The trainers, through the Camp Doctor will have **final say** as to whether a player can continue to participate if an injury or illness occurs. If you have a special medical condition which the Camp medical staff needs to be aware of, please bring appropriate documentation.

Valuables:

Please note that the Camp will not be responsible for lost or stolen valuables of any type. Participants that bring valuables to the Camp do so at their own risk.

Computers:

You are welcome to bring your computer (see valuables note above) as Wi-Fi service is available in the dorm.

Parents:

Parents, family and friends are welcome at the Camp but will have limited access to their child. The players will be under USA Hockey's control, and access will be very limited. Players cannot leave their teams at any time unless they have checked out of the camp. All ice, and seminar sessions are open to everyone but the camp operates under strict conditions and everything is done as a team as far as the players are concerned.

Only camp participants/staff have access beyond the lobby of the Dorms. This will be strictly enforced – NO EXCEPTIONS! We ask for your cooperation. You may bring snacks, water, etc. to the dorm lobby, (all rooms have a small refrigerator) but you (parents/family members, friends) cannot go beyond the lobby to the rooms.

Camp Check-out:

The Camp ends at noon on Wednesday, June 13. Players that have indicated a need (through the registration site) for bus transportation to Denver International Airport will be taken to the airport. The Camp does not provide any type of transportation to the Colorado Springs Airport.

Players being picked up can leave after completion of their last game, after having been checked out/released by their Team Leader. Players must inform their Team Leader of who is picking them up ahead of time. No one can leave until their room is checked and their room key and meal card returned.

Misc:

Please be aware that Colorado Springs is at an elevation of 6,035 feet. Players should start drinking water now, before the start of the Camp, and throughout the Camp to stay hydrated.

Please do not bring any nuts to the camp. We may have some players who have allergic reactions and we do not want to place anyone in harm's way. We ask for your cooperation.

All Players are required to abide by the Player Code of Conduct and there is a **No Tolerance Policy** for bullying or harassment at the camp. Players should notify their Team Leader and/or Coach immediately if they find themselves in an uncomfortable situation. The Camp Staff cannot take appropriate actions if they do not know about the problem.

No Tolerance means No Tolerance – any player found to be in violation of the Player Code of Conduct will be ineligible to participate further in this Camp, as well as future Camps. Parents will be notified of the situation and asked to arrange for their player's transportation home as soon as possible.

We have what we believe to be an excellent coaching staff in place for the Camp. The coaching staff includes Division I, Division II, Division III and Prep School women's team coaches. In addition, all of our Team Leaders are Division I or Division III players, some have been players at this Camp in past years. Each Team will have two coaches plus a Team Leader. In addition, Mel Ruzzi, returns as the Camp's Head Coach with Kristi Kehoe as her Assistant Head Coach. There are also two goalie coaches not assigned to a specific team. All of the Coaches and Team Leaders are here to help. Don't be afraid to ask questions. Most of them have "lived the dream" that you are pursuing. But, most of all, they love the game and really enjoy being around those who play the game.

For additional information, Campus map, Camp Schedule and Team Assignments please visit the Camp's website: www.wrhpcamp-g.com

Lastly, we hope everyone has a great experience and fun. Work hard on and off the ice, make new friends, be a good teammate, talk to the Coaches and Team Leaders. If you leave the Camp without having made additional friends, hopefully for life, then you simply will not have taken advantage of the entire Camp experience. Relax and enjoy the Camp!

We look forward to seeing all of you at the Camp.
