- Player Packet -

All players selected for the Multi-District Girls Player Development Camp will receive an email invitation to register for the camp. That email provides the link and logon information you'll need to register.

~ Please read this Player Packet thoroughly before you begin to register for the camp ~

NOTE 1: *You must register for the camp within five (5) business days of receipt of the email invite. The five (5) day business period is based on the SENT date/time shown on the email and tracked in the RMR System.*

NOTE 2: *You do not need your flight information to initially register for the camp; you can add that later. Under Arrival and Departure Information, for now select Arriving By as 'Car' and Date of Arrival as 'June 9, 2018'. Likewise, select Departing By 'Car' and Date of Departure as 'June 13, 2018'. Log back in and update travel once you book the flights.*

CAMP FEE: The 2018 Girls Multi-District Western Regional Camp is \$645/player which includes housing, meals, ice time, coaching, seminars and transportation to and from the Denver International Airport.

FLIGHT ARRIVAL/DEPARTURE INFORMATION (Transportation to/from Denver Airport):

The Camp will provide transportation to those players who wish to receive it to the Camp at Colorado College from the Denver International airport. **The Camp does not provide transportation from/to the Colorado Springs airport.** If you book your player to arrive and/or depart from the Colorado Springs airport, you must make your own travel arrangements to get your player to/from the Camp.

For those that wish to use the Camp transportation from the Denver International airport please book your player on a flight that will arrive in Denver on Saturday, June 9th **no later than 12:30pm.**

For those that wish to use the Camp transportation from the Camp to the Denver International airport please book your player on a flight that will depart Denver on Wednesday, June 13th **no earlier than 3:30pm.**

NOTE 3: **If you wish to use Camp transportation you must book the flights within the time frames listed above.**

NOTE 4: **If you book flight outside of the time frames listed above, *you must make your own travel arrangements to get your player to/from the Camp.* There are no exceptions to this policy.**

For those that make arrangements to use the Camp transportation from the Denver International Airport, after deplaning take the tram to baggage claim (please note we cannot meet the player at their gate). At the top of the escalator leading to baggage claim will be someone from USA Hockey to direct the player to the Camp meeting area. Players arriving earlier than 9:30am will need to wait until staff arrives, around 10:30am.

Provide your flight information via Rocky Mountain Register:

To do this log back on to the player registration site and update your flight information. If you check the box that says “requires transportation” our staff, provided your arrival date/time meet the requirements outlined above, will meet you at the airport upon your arrival.

IMPORTANT: When booking your flight please make sure your daughter will be able to get to the baggage claim area without someone from the Camp meeting her at the arrival gate (inside the security area). When departing from Denver’s airport, the Camp staff will not be able escort your daughter through security. Note: In previous camps we’ve had problems with a few airlines insisting our staff meet players in areas other than at baggage claim upon arrival, and/or escorting players to the gate. Unfortunately, we do not have the staff to do this and most airlines are comfortable with the arrangement we have. Frontier Airlines is one airline we’ve had some problems/difficulties with in the past, so you should contact them in advance to avoid any issues.

Delays or problems:

If your flights are delayed or you are having any other travel related problems, please call one of the camp directors:

Greg Johnson - (907) 388-3252 (mobile) **Geoff Pashkowski** – (602) 376-6722 (mobile)

MEDICAL ISSUES/CONCERNS:

If you have specific medical concerns that need to be addressed please indicate what those concerns are on your Consent To Treat form and email what your specific medical concerns are to: Mary Davern at: icewitch@comcast.net

CAMP CHECK IN: Check-in will be from 1:00pm – 3:30pm, Saturday, June 9th in Loomis Hall.

If arriving by car:

If you are arriving to the Camp by car go directly to Colorado College for check-in. Check-in will be from 1:00pm – 3:30pm on Saturday, June 9th at the Loomis Hall dorm.

Loomis Hall (number 44 on attached campus map)
1104 North Cascade Ave
Colorado Springs, CO 80903

All players will need to check-in at the registration table where they will be given Team assignments. The player will then proceed to the Front Desk for their dorm room assignment (Please do not ask if you can change teams or dorm rooms as we do not take requests for either) where they will receive a room key and a meal card from Colorado College which they will be responsible for during their stay. There are financial penalties, imposed by the College, for the loss of either, so please be careful.

Most players will have a roommate. However, some players will have a single room due to the dorms and room availability. Please do not request a specific roommate. Part of the Camp experience is for players to get to know the players from all states represented at the camp. Teams will be made up of players from across the Northern Plains, Rocky Mountain and Pacific districts.

Players, please leave your bag(s) outside until you receive your room assignment from the front desk as the lobby is tight.

Adults, if you travel to the Camp with your player, we ask that you please remain outside while your player checks in.

NOTE 5: Once players are checked in to the Camp they are under the control of Camp staff until the Camp has concluded.
